Privacy Policy

Effective date: July 27, 2026

Spare Keys Stay respects your privacy. This Privacy Policy explains what information we collect, how we use it, and the choices available to you when you visit SpareKeysStay.com, submit an inquiry, or request or complete a reservation.

Information We Collect

We may collect information that you provide directly to us, including:

- Your name
- Email address
- Telephone number
- Requested travel dates
- Number of guests
- Property preferences
- Messages, questions and other information you submit
- Reservation and payment-related information processed through our booking providers

We may also collect certain technical information automatically, including your browser type, device type, approximate location, IP address, pages visited, referring website, advertising interactions and activity on our website.

How We Use Your Information

We may use your information to:

- Respond to questions and booking inquiries
- Process and manage reservation requests
- Communicate with you about your stay
- Provide guest support
- Improve our website, properties and services
- Measure website and advertising performance
- Prevent fraud, misuse and security incidents
- Comply with legal and regulatory obligations

Reservations and Hospitable

Our availability calendar, reservation process, guest communications and certain payment-related services may be provided through Hospitable or its associated service providers.

When you use these booking services, your information may be collected and processed according to Hospitable's applicable privacy policy and terms. Spare Keys Stay does not directly store complete payment-card details processed by our payment providers.

Google Analytics and Advertising

We may use Google Analytics, Google Ads, Google Tag Manager and related Google services to understand how visitors use our website, measure advertising results and improve our marketing.

These services may use cookies or similar technologies to collect information about visits, devices and interactions with our website and advertisements. Google may process this information according to its own privacy policies.

You can learn more about how Google uses information from participating websites at:

https://policies.google.com/technologies/partner-sites

Cookies and Similar Technologies

Our website and service providers may use cookies and similar technologies for:

- Essential website and booking functions
- Remembering visitor preferences
- Measuring website traffic and performance
- Tracking advertising results
- Detecting fraud and protecting the website

Where legally required, visitors will be offered choices regarding nonessential cookies. You may also control cookies through your browser settings. Disabling certain cookies may affect website or booking functionality.

How We Share Information

We do not sell your personal information.

We may share information with service providers that help us operate the website and provide accommodations, including booking, payment, communications, website hosting, analytics, advertising, fraud prevention and customer-support providers.

We may also disclose information when required by law, to protect our legal rights or to prevent fraud, abuse or safety threats.

Data Retention

We retain personal information only for as long as reasonably necessary to provide our services, maintain business and reservation records, resolve disputes, enforce agreements and comply with legal obligations.

Your Choices

You may contact us to request access to, correction of or deletion of personal information that we maintain about you, subject to applicable legal and recordkeeping requirements.

You may unsubscribe from promotional emails by using the unsubscribe instructions in those messages. Reservation-related and service communications may still be sent when necessary.

Data Security

We use reasonable administrative and technical measures intended to protect personal information. However, no website, electronic transmission or storage system can be guaranteed to be completely secure.

Children's Privacy

Our website and accommodation services are not directed toward children under 13, and we do not knowingly collect personal information directly from children under 13.

Changes to This Policy

We may update this Privacy Policy periodically. Changes will be posted on this page with an updated effective date.
